**RAFFLE . RAFFLE . RAFFLE . RAFFLE . RAFFLE . RAFFLE . AT WEIGH-IN!!!**

**Additional Notes and Reminders:**

- Weigh in is combined with Bass Nation College Championship. Same scales but separate weight tracking.
- NO ALABAMA RIGS ALLOWED.
- Running lights on, life jackets secure, and kill switch hooked up during flight out.
- Life jackets on and secure at all times main engine is in gear.
- Weigh in bags will be available if needed. Please use your own bag to bring fish to scales.
- Announce your boat number as you approach the scales and be sure to sign your weigh in slip. Once you turn over your fish, you will not be able to handle them again until after they have been weighed. There will be no “courtesy measures” allowed.
- Standings will not be discussed during the weigh in process.

**PRESIDENTS, PLEASE INFORM ALL CLUB MEMBERS OF THIS INFORMATION. PRESIDENTS ARE RESPONSIBLE FOR CHECKING THEIR CLUBS’ LIVE WELLS, INSURANCE, FISHING LICENSE, AND BOATER SAFETY CERTIFICATE.**
